

# The Store

Born out of lockdown, at the Gladwin Brothers Battersea HQ, The Store is a platform which connects British growers, suppliers and winemakers with our guests.

You can shop sustainable produce from organic British farms, including our own West Sussex biodynamic farm.

Executive chef Oliver Gladwin creates delicious ready-made and oven-ready dishes from venison pies and Sussex beef wellingtons to wild garlic pesto and sourdough bread plus sweet treats like dark chocolate tortes and seasonal ice creams.

In a time where it's more important than ever to support local, The Store delivers farm-fresh, high-welfare and organic fruit, veg and meat to London residents.

The Store delivers food and wine across London once a week on a Thursday. We are proud champions of seasonal and sustainable produce with minimal packaging.
